APRIL 2025 Course Code: U23CSC41

Sri S. Ramasamy Naidu Memorial College, Sattur

Java Programming

Time: 3 Hrs B.Sc. Computer Science Max. Marks: 75

Q.No. Section – A (10 x 1 = 10 marks)

Answer All the questions

1. The wrapping up of data and method into a single unit is called _____.
   a) encapsulation b) inheritance
   c) abstraction d) object

2. Which of the following can be operands of arithmetic operators?
   a) Characters b) Boolean
   c) Numeric d) Both Numeric & Characters

3. An IF or ELSE IF statement accepts _____as input before branching.
   a) Boolean b) int
   c) float d) char

4. Which of these jump statements can skip processing the remainder of the code in its body for a particular iteration?
   a) break b) return
   c) exit d) continue

5. _____method allows a class to inherit from a super class whose behavior is "close enough" and then to modify behavior as needed.
   a) Override b) Overload
   c) Static d) Final

6. To extract a single character from a string using _____ method.
   a) charAt() b) getChars()
   c) toCharArray d) getBytes()

7. Which of the following keyword is used to explicitly raise an exception?
   a) raise b) catch
   c) throw d) throws

8. _____ is the maximum thread priority in Java.
   a) 10 b) 12 c) 5 d) 8

9. Which of these functions is called to display the output of an applet?
   a) display() b) paint()
   c) print() d) draw()

10. In java, how many streams are created automatically?
    a) 2 b) 3
    c) 4 d) 5

Section – B (5 x 7 = 35 marks)

Answer All the questions

11.a Describe the features of JAVA.

(or)

11.b Define and explain Java Virtual Machine.

12.a Construct the JAVA program to implement While statement.

(or)

12.b Construct the JAVA program to demonstrate method overloading.

13.a Explain about Enumerated types in Java.

(or)

13.b How to create and access a Package?

14.a Interpret how to set priority for threads in Java.

(or)

14.b State the AWT layout managers.

15.a Discuss about OutputStreamWriter class in java.

(or)

15.b How do you create a file in Java?

Section – C (3 x 10 = 30 marks)

Answer any THREE questions

16. Identify Operators in Java.

17. Elaborate Static members with an example.

18. Demonstrate Array and its types in Java.

19. Examine the Exception handling mechanism with suitable example.

20. Write about Applet Life Cycle in Java.
